Periodicals — Instructions

Use this form for Periodicals mailings

Step 1: Complete Mailer and Mailing sections on page 1. List all containers in the Number and Type of Containers field. You must select either Yes or No under Consolidated Postage Statement.

Step 2: Before you complete the Postage section, go to parts A through E and complete the part(s) that pertain to your mailing. Pieces that comply with the Full-Service Intelligent Mail option requirements are additionally reported on the line provided. The following information will help you determine which parts to complete:
Part A: In-County piece and pound prices.
Part B: Outside-County pound prices.
Part C: Outside-County piece prices.
Part D: Outside-County bundle prices.
Part E: Outside-County sack/tray/pallet prices.
Part F: Outside-County Ride-along prices.
Part P: Periodicals Pending Authorization

Step 3: Complete only applicable part(s), as follows:

1. For In-County mailings, complete only part A.
2. For Outside-County mailings, complete applicable parts B through F.
3. For Periodicals Pending Authorization, check applicable Pending Class of Mail. Calculate Total Periodicals Postage (page 1) multiplied by percentage in DMM 207.5.2.3 equals Pending Postage. Add Pending Postage (P1) plus Total Periodicals Postage (page 1) equals Total Postage While Pending.

Step 4: Go to the Postage Section on page 1. Add postage from Part Total box for each completed part. Bring these totals forward to front page and insert in appropriate box. For outside-county sack/tray/pallet prices, complete distribution section in order to determine Part E total. Add all parts together to get Total Postage.

Step 5: Go to the Total Postage While Pending Section on page 1. Add postage from Part P Total box (P3). Bring total forward to front page and insert in Total Postage While Pending box.

Step 6: Read and sign the Certification section, including your telephone number. Attach all completed pages together to submit with the mailing. (Do not include blank pages.)
