

# 155 Mail Preparation

## Overview

### [1.0 Preparation for USPS Retail Ground](#)

#### 1.0 Preparation for USPS Retail Ground

##### 1.1 **Basic Preparation**

There are no presort, sacking, or labeling standards for USPS Retail Ground pieces.

##### 1.2 **Delivery and Return Addresses**

All USPS Retail Ground pieces must bear both a delivery address and the sender's return address.

##### 1.3 **Basic Markings**

The basic required marking—"USPS Retail Ground"—must be printed on each piece in the postage area, or it may be printed on the shipping address label according to the standards in [102.3.4](#).
