

# 155 Mail Preparation

## Overview

### 1.0 Preparation for USPS Retail Ground

#### 1.0 Preparation for USPS Retail Ground

##### 1.1 Basic Preparation

There are no presort, sacking, or labeling standards for USPS Retail Ground pieces.

##### 1.2 Delivery and Return Addresses

All USPS Retail Ground pieces must bear both a delivery address and the sender's return address.

##### 1.3 Basic Markings

The basic required marking—"USPS Retail Ground"—must be printed on each piece in the postage area, or it may be printed on the shipping address label according to the standards in [102.3.4](#).
